MESSAGE FROM JASON COPPING

Happy Thanksgiving

With Thanksgiving just around the corner, I want to first and foremost thank the residents of Calgary-Varsity. I hear from many of you and the passion you have for our province is evident. From small family businesses, startup innovators, teachers, doctors, nurses and thousands of others who contribute to Alberta, I know this year has been tough, but we have a lot to be grateful for. Though Albertans are faced by great challenges, we will overcome by working together.

To help deal with these difficult times the government is implementing Alberta's Recovery Plan. This plan builds on our economic strengths to attract investment and position our province for prosperity. It will create jobs, build important infrastructure, and help diversify the economy for the future. Investments in our schools, roadways, water systems, and more will provide a much-needed boost to the economy.

In addition, Alberta's recovery is focusing on lowering barriers to local job creators and building strength in new sectors like natural gas, aviation, and technology. As we weather the immediate effects of COVID-19 in our community, government is introducing programs that will strengthen the economy in the long-run.

Responding to the pandemic and economic crisis has a cost. Alberta is facing a historic deficit of \$24.2 billion, including over \$14 billion for

COVID-19 relief programs. This is the right thing to do to support and protect all Albertans. As this deficit will drive up interest payments, it is important now more than ever that government be as efficient as possible to limit the impact on future generations.

Despite these challenges, I continue to be thankful for all the work Albertans are doing to get through this together. As always, if you have any further questions, please feel free to reach out to my office at Calgary.Varsity@assembly.ab.ca.

Litter Cleanup Kits

While out for your walk around Silver Springs why not pick up garbage along the way?

SSCA has 6 kits available for pick up to help with cleaning up our community. If you are interested please give the office a call, 403-288-2616, and we can arrange pick up. The kits contain garbage bags and disposable gloves. Thanks to the City of Calgary and their sponsors for dropping these off at our office.

WARD 1 REPORT FROM COUNCILLOR WARD SUTHERLAND

City of Calgary: Ward 1

COVID-19 has created significant additional expenses for the city. Council is cutting back to address these financial issues. In July 2020, my Notice of Motion (NOM) for Union Wage Contract Negotiations was supported by Council. My NOM addresses the three major union contracts due on January 01st, 2021. The unions must participate in our financial challenges and this motion deals with that. Council directed Administration to address our fiscal challenges and wage negotiations and they are responsible to follow our direction. Administration will report back to Council with a negotiating strategy. Ernst & Young Financial Group (EYFG) was contracted to review the City's budget and to explore permanent budget savings.

Council is asking these unions to participate in our financial cutbacks. In November 2019, my NOM called for contracting out one-quarter of the black cart waste collection service to the private sector. In February 2020, my NOM proposed contracting out the management of City-owned golf course operations. You may have noticed radio and television ads from unions targeting my NOMs and asking residents to call their councillor. Basically what they are saying is that they, the unions, do not support my NOMs.

The EYFG report goes public this month and Council must commit to whether or not to implement the recommendations. Our current property tax budget for 2021 is a zero percent indicative tax rate. Council has demonstrated leadership by volunteering to accept 0% wage adjustments and has seen compounded wage

adjustments since 2014 fall roughly 5% below compounded inflation (-.33% average 5 years). Now is the time for unions to follow suit.

Ward 1 communities

Situated in Calgary's Northwest quadrant, the framework of Ward 1 is made up of an assortment of diverse geography and communities. From established neighbourhoods with 100 years of history, to the "up-and-coming" new developments, Ward 1 is home to young professionals, new families and an active senior population who all make up its diverse fabric.

CROWCHILD TRAIL UPGRADES

We're pleased to announce that all major upgrades involved in this short-term improvements phase of this project are now complete. While you will notice a few skeleton crews putting some finishing touches on this project through to the end of this construction season, the new lanes are open, traffic flow has been improved over the Bow River and we hope you've had the chance to take advantage of the increased connectivity to our pathway network.

Watch the video that summarizes the project!

STARTING OCTOBER 1, REMEMBER TO TAG YOUR EXTRA GARBAGE BAGS

Starting October 1, if you have an extra bag of garbage that won't fit in your City black cart, you'll need to buy a garbage tag. Tags are \$3 each and available at participating convenience and grocery stores or online. See the full list at calgary.ca/garbagetag.

How to use garbage tags:

1. Fill your black cart first.
2. Place extra garbage in a bag and wrap a tag around the knot on top of the bag.
3. On collection day, set the bag 0.5 metres (2 feet) from your black cart.

We encourage everyone to look at what you are buying and throwing away to find ways to reduce waste. Sorting materials correctly helps maximize the use of all three carts (blue, green, black).

Due to Covid-19 supply restrictions, our annual fall fundraiser will look different this year. Stay tuned for more details.

Scouts Canada will have an extended free trial period running for new members till the end of the year. Sign up at: www.myscouts.ca, questions can be sent to: contact@159scouts.ca. Several groups at different age categories still have space.

LINE DANCE

Boot, scoot and boogie into Calgary's culture! Line dancing is a popular western style type of group dance performed in lines with a sequence of steps. BECAUSE DANCE SHOULD BE

FUN!!!!

Dance Foundation provides kids a fun and non-stressful atmosphere where they can learn to love dance. We encourage students to grow as dancers while meeting new friends, gaining coordination and learning self-discipline. Dancers will learn to express themselves creatively and gain better coordination. As a non-profit program run through the Silver Springs Community Association, we are able to keep our class sizes small and prices low. Throughout the year we will give the dancers the basics they need to know in order to continue dancing and performing in the future. We love to dance and hope you will too!

BOTANICAL GARDENS OF SILVER SPRINGS

The Botanical Gardens has been a very popular place this year with much increased traffic of a variety of users. The garden is also being used for various groups as a place for solace, meditation, and mental health during this time of COVID. You may see groups throughout the garden using the beauty of nature to center them and give them peace.

The volunteers in the garden have been working hard on maintaining the gardens. Thanks to everyone who has been respecting the distancing requirements. Our main thrust for improvement this year has been the new entrance (near the ball diamond). We have new planters and shrub beds, 2 new benches, new signage, a new brick entrance with engraved bricks and new bike racks with the theme of Body, Mind and Spirit. The work done is beautiful and the support from the community has been wonderful. If you have not yet seen it, try and make your way there this month before winter comes and covers much of it.

The brick program has been very successful. We have received orders for 110 bricks which have been installed. We will be installing more brick work in the main entrance next year, so if you are still interested in purchasing a brick (\$100.00) please go to the website and click on donations – there is a link there to our forms.

We also are offering the opportunity again next year for individuals to sponsor benches and picnic tables. After a hiatus of several years, we have permission from the City of Calgary to move ahead with a few benches each year.

New this coming year is the opportunity to sponsor a garden. More information about this will be coming in the next months.

Upcoming activities include the now annual pumpkin walk on November 1. As well we will again be decorating for the Christmas holidays.

We support garden tours on request for a nominal fee of \$2.00 per person. Contact Teresa at teresa@bgss.ca for discussion about the type of tour you are interested in.

You will see many volunteers through the garden cleaning up during the month of October. Stop and talk with them about the plants that will live in Calgary. They are a wealth of knowledge for you to assist in your own yard clean up and putting the garden to bed.

Further information is always available at <https://www.bgss.ca/>

You can contact us through the website with any questions or comments you may have.

EDIBLE GARDEN GROUP

Gorgeous summer weather set the stage for our August 15th Open House celebration for the 10th Anniversary of the Silver Springs Edible Garden and the grand opening of the 'Food Forest and Gathering Space.' 125 visitors took advantage of socially distanced tours of the garden and learned about new features like the unique 'Living Roof' of our new garden shed. It is our understanding that Silver Springs Edible Garden is the only community garden in Calgary to have a green roof!

Our youngest garden enthusiasts took part in a Treasure Hunt to identify various vegetables, fruiting trees, and shrubs. Information about many kinds of insects provided further interest.

In the spirit of celebration and thanks, the first 50 visitors were gifted seed packets or gardening gloves.

Winners of the door prize draw were:

\$25 Gift Certificate for Golden Acre Garden Centre:

Laurel Caddel

Twyla Siple

Judi Vanderbrink

Jackie Kleiner

Family Membership for the Silver Springs Community Centre:

Cathy Drinnen

Admission for 2 to one of our Speaker Presentations for 2021:

Sam Rothery

Maureen Dodd

W.E. Johns said, "One of the most delightful things about a garden is the anticipation it brings." We have been pleased to see the community harvest from the 'Food Forest'.

If you are interested in joining the waitlist for a garden box next season, please email silverspringsgarden@gmail.com

The Edible Garden Group is seeking donations of garden tools in good condition. Some of the needed tools include garden (not grass) rakes, shovels, edgers, and hand tools. If you have any extra tools you can contribute, we would gratefully accept!
