NATURAL DEODORANT

DEODORANT REVOLUTIONISTS

HELLO, WE ARE NEIGE AND PIPPA :

Former smelly sisters who needed an antidote to our own unfortunate natural musk. Searching for an EFFECTIVE deodorant, especially one that was CLEAN AND STYLISH was an unsavoury lifelong challenge.

Being stinky but smart, naturally, we created some. It's because we feel lymph nodes, the planet and its inhabitants (YOU) are important business, that we decided to share our creation with ALL people. We believe armpits are lovely and deserve the best, just like every other inch of our flesh covered selves.

ONLY CLEAN IN YOUR ROUTINE.
