

THREE YEAR OLD PROGRAM

ORIENTATION PACKAGE

Drop Off and Pick Up Procedures

The Silver Springs Preschool's priority is to provide a safe and secure environment for all children, so we ask that you please adhere to the parking signs and the "NO PARKING" yellow curb in front of the basement door where you will enter. Because of the number of children entering the preschool at the same time each day, please exercise extreme caution when entering the parking lot area.

In order to minimize the congestion both in the parking lot and in the building at drop off and pick up times, we stagger our class entry times by designating a 15-minute drop off/pick up window to each class. Parents/caregivers are encouraged to be as precise and efficient with this process as they can be.

The class times are as follows:

Mrs. Anderson's 3yr old AM class is 8:45am - 11:15am in Classroom A

Mrs. Anderson's 3yr old PM class is 12:45pm - 3:15pm in Classroom A

Mrs. Walker's 3yr old AM class is 9:00am-11:30am in Classroom B

For our 3's program we expect a parent to pick up and drop off their child INSIDE the building. Classroom doors open at 8:45am and 12:45pm for Mrs. Anderson's classes and 9:00am for Mrs Walker's class but parents can start bringing children in 5 minutes earlier to get them out of outdoor wear and lined up outside the classroom. PLEASE DO NOT COME INTO THE BUILDING ANY EARLIER THAN 5 MINUTES PRIOR as we still want to avoid congestion issues.

After the May Long Weekend, we will be transitioning the 3's to an outside drop-off procedure. This will hopefully prepare them for the 4's program where there are more expectations for the children to enter the building independently and put on and take off their shoes and outdoor wear. Children will still be picked up from inside the building.

If your child will not be attending classes on a certain day due to holidays or sickness, please notify your teacher via Class Dojo.

Which class are you in?

Classroom's "A" & "B" are marked on the entrance door to each.

Laura Anderson is in Classroom A (3yr AM and PM)

Rachael Walker is in Classroom B. (3yr AM)

Our teachers and staff are always available to speak to should you have any questions, concerns or would like to just touch base regarding your child. Please coordinate times to speak through email, phone or Class Dojo.

All teachers use an app called Class Dojo as a secure online communication tool to keep parents connected. We will be able to send pictures throughout the day to keep you up to date with current events happening. You can also send us messages. This app also helps when quick changes to the schedule are required. i.e changes in the weather conditions that affect outdoor activities. At split entry, you will each be given a personal code. Download the Class Dojo App and follow instructions with the code that you have been given. This code should connect you to your class. Should you have questions or concerns, please don't hesitate to contact us directly.

What does your child need to bring to Preschool?

A backpack, large enough to comfortably fit the following items:

- a pair of indoor shoes
- a snack container
- a water bottle
- a spare change of clothing (pants, top, underwear and socks)
- winter gear such as mittens and hat/summer gear such as sunglasses, sun hat.

All the items above should be clearly labelled with your child's name.

We find that those children who have a larger backpack have greater success gaining independence as they can easily fit items into their backpack. They also have room to fit any craft treasures in. Although very cute, we would ask that you avoid the very small "Skip and Hop" backpacks often found at Chapters. A general rule of thumb is that if you have to strategically pack it to get everything in, chances are they will struggle. The more space the better!

Also please make sure that your child wears comfortable, easy fitting clothing to preschool. Belts and buckles make it harder for them to be independent, particularly in the bathroom.

Finally, remember....preschool gets messy when we are creating and having fun! Clothes may get paint/marker/mud/grass stains on so dress your child in clothing that you don't mind them getting dirty.

SNACK RULES

Snacks are the responsibility of each parent or caregiver. Snacks are NOT to be shared due to food allergies.

The Silver Springs Preschool is a Nut/Peanut-Free Environment!

Please ensure that your child's snack does not contain, or has not been in contact with, nuts, peanuts or their oils. Nuts and peanuts (even trace amounts) can cause severe and/or life-threatening reactions in certain children. Please check the ingredients list on all packaged foods such as crackers, granola bars, and cookies for nut or peanut content.

Food Allergies

Your teacher will inform all parents of any specific allergies in your class.

Birthday Snacks/Treats

When it is your child's birthday, we allow them to bring in a small treat (food or non-food item) to share with their class. This is completely optional. Please make sure that the snack complies with any allergies within your class that your teacher has specified at the start of term. Please let your teacher know in advance if you are planning to bring in a birthday treat. There are a maximum of 16 children in the class.

The Preschool does not permit the following foods:

Nuts and seeds, hard candies, caramels/toffees, chewing gum, jellybeans, popcorn, gum drops, and snacks made with toothpicks or skewers.

What to Bring for Snack?

Please have your child bring a fully labeled snack bag and a water bottle to class each day. Please no juice boxes.

It is important that you equip your child with easy-to-open containers and packages containing their food items. This helps to reduce teacher contact with personal items. Bento Boxes are easy for the students to access their own food. Yogurts and apple sauce are better sent in easy-to-open Tupperware containers as the children are prone to spillage when attempting to open individually packaged food themselves. A simple cut on top of a granola bar wrapper helps minimize the difficulty of that initial tear while also fostering the child's autonomy.

Please also be conscious of the size of the snack that you send with your child. **Send snacks that they can consume in 10 minutes or less.**

The Preschool does not have a refrigerator, so please do not send food items that may spoil. Ice packs may be used to keep them cold.

It is suggested that snacks come from two of the four food groups (grains, vegetables and fruits, milk products, meat and alternatives). Here are some IDEAS:

- *Fruit: Cut-up fruit of any kind. Grapes must be sliced lengthwise and pitted fruits such as peaches, nectarines, cherries, and plums should have the pits removed. Hard fruits should be cut into bite-sized pieces.
- *Vegetables: Cut-up vegetables of any kind. Carrots have to be cut length-wise as the roundness is sometimes difficult for children to swallow. Hard vegetables should be cut into bite-sized pieces.
- *Cheese: Prepared in slices please.
- *Crackers: Can include animal crackers, fish crackers, soda crackers, Teddy Grahams, etc. Whole grains are preferred where possible (Please check the ingredient list for nut or peanut content).
- *Baked Items: Mini-muffins, banana loaf or cookies.

Please note. No candy is permitted.

Please refer to the full snack policy online.

POTTY TRAINING

We have a strict policy of no pull-ups. Children need to be fully potty trained.

Although a strict policy, that doesn't mean we won't work with children who are on the cusp of being potty trained. Often with a little peer influence and praise from teachers, children will make that final step to becoming fully potty trained. Please chat with your teacher if you need some help or have any concerns.

If toileting mishaps are a frequent occurrence in class, we will ask that the child takes a break from school until they are more successful with toileting.

DISCIPLINE

SSPS is a positive environment and all children are treated with respect.

We strive to prevent difficult discipline problems from arising by tackling the root cause of inappropriate behaviors. (boredom, anxiety, stress and frustration)

We set clear routines and boundaries and provide constant, positive reminders of these. We work on teaching and role-modeling good communication skills using the We Thinkers social awareness program. We use redirection techniques, we provide positive reinforcement for good behavior and we allow for flexibility in our programming so children can make choices in their day.

When necessary, teachers will reach out and inform parents if there are concerns regarding behaviour.

HEALTH

The health and safety of our preschool families is of utmost importance to us. It takes all of us to protect each other. We will always adhere to the advice from Alberta Health Services and adapt and change protocols as and when needed.

If your child is experiencing any of the following symptoms, we ask that they remain at home.

- Fever
- Heavy/severe cold (persistent cough or runny nose)
- Vomiting/diarrhea

If your child has had a fever, vomiting or diarrhea, we ask that they only return to school once they have been completely symptom-free for at least 24 hours. Please err on the side of caution when

considering a return to preschool following an illness. This will help reduce the spread of germs within the classes.

We understand that cold symptoms can linger for many weeks after an infection. Only have your child return to preschool when there is a significant improvement in the symptoms and your child feels well again.

Other contagious diseases/infections.

If your child contracts an infectious disease/condition, such as Hand, Foot and Mouth disease, Chickenpox or Lice, you must contact your teacher IMMEDIATELY. Hand, Foot and Mouth Disease and Chickenpox can be particularly dangerous for pregnant women and thus an immediate notification can not only prevent the spread of these infectious diseases but can also give warnings to more vulnerable individuals/families to stay away from the preschool.

PARENT VOLUNTEER DUTIES

Silver Springs Preschool is a partial parent-cooperative program. Parental involvement is essential in helping to operate a well-run facility and successful learning environment. Those roles that are labelled " home volunteer role" are kept for those parents who cannot come into the preschool on a regular basis and therefore cannot commit to toy cleaning

VOLUNTEER ROLES WITHIN THE PRESCHOOL

TOY CLEANERS- Toy Cleaners will be allocated between 3-5 cleans during the school year, and need to arrive only 10 minutes prior to pick-up to complete the task. Cleaning is done using the commercial dishwasher located in the upper floor of the SSCA building. Follow this link to watch a video of how to clean toys. <https://m.youtube.com/watch?v=vW56zrgTVFg&feature=youtu.be>

PLAYDOUGH MAKING TEAM (Home volunteer role)- Join a class playdough making team to provide playdough for the year. Each team member will be assigned a time frame, typically spanning 2-3 months. Each time frame will have 3 separate playdough dates (approx every 3 weeks) when playdough for the class should be brought in. Three batches of playdough will be required each time.

LAUNDRY TEAM (home volunteer role) - Join a laundry team to make sure all laundry (towels and dress up clothes) are laundered weekly. Each team member will be assigned approx. 6-8 cleans per year.

SCRAPBOOKER (home volunteer role 4's program only) - There is one scrapbooker per 4 year old class. You are expected to put all photographs taken and printed off by the teacher (approx

30 photos per child) into a mini photo album for each child. Teachers may request help to sort and collate the photos for each child.

ROOM PARENT (home volunteer role) - Room parents help to communicate information, particularly through digital monthly calendars but also other information about field trips etc to the parents. Monthly calendars, with information about what the class is learning about as well as sharing days and toy cleaning assignments will be sent out each month.

Parents will be expected to indicate at-home volunteer job requirements after the May letter is received and prior to July 31st and therefore Room Parents and all other at-home volunteer roles will have been assigned before the start of the year.

The majority of families will be assigned the Toy Cleaner role. (unless an at-home volunteer job has been previously requested). Toy Cleaners will be allocated between 3-5 cleans during the school year, and need to arrive only 10 minutes prior to pick-up to complete the task. It is your responsibility to ensure these cleans are completed. If you cannot fulfill a clean on any given date, it is YOUR responsibility to make alternative arrangements (ie find/switch with another parent to take on your clean.) The PSAC Board will be tracking all volunteer fulfillment to ensure the continued success of our preschool.

Should these volunteer duties not be fulfilled, your \$250 volunteer deposit will be taken on June 30th 2024.

Please note that volunteering in the classroom or on field trips is separate from volunteer duties.

If you have any questions/concerns about parent volunteer job requirements please contact our volunteer coordinators at:

volunteercoordinator@silverspringspreschool.com (3-year program)

volunteercoordinator2@silverspringspreschool.com (4-year program)

FIELD TRIPS AND CLASS VISITORS

We welcome and appreciate parent volunteers in the classroom. Ideally, we prefer only 1 parent to volunteer in the class at any one time. (unless it is a special event). Priority for volunteers in the classroom will be given to parents whose child has a birthday or a sharing day. As sharing days don't start until January, from September to December parents can contact their teacher via Class Dojo to request a volunteer day.

We have two field trips planned this year for the 3's. At the end of April, we will be going to the Calgary Zoo and at the beginning of June we will be going to Butterfield Acres. More specific details will follow.

As part of our regular programming, children will also have weekly music instruction from our Music Teacher Mrs. Craig.

SECURITY CLEARANCE

Police clearances are only required if you wish to volunteer on a field trip. There is no need to apply for one if you only intend to volunteer in the classroom.

How to apply for a Police Clearance.

Request a volunteer letter by sending an email to Sara at : programs@silverspringscommunity.ca

If you do not have a letter from SSCA stating that you are volunteering, you will be unable to submit an EPIC application. Your volunteer letter must be attached to your online EPIC application.

Once you have the volunteer letter, go to policeinformationcheck.calgarypolice.ca and click on "perform police information check". (Note that the application process may take up to 30 minutes to complete)

The agency that you will be applying under is "Silver Springs Community Association".

When you begin typing "Silver Springs" the correct agency name will pop up.

Once you have received notification from the Calgary Police Service that your application has been processed and cleared, **YOU MUST SHARE** this information with SSCA through the EPIC online system. SSCA will not receive this information from the CPS unless you complete this step.

For more information, please visit <https://policeinformationcheck.calgarypolice.ca/>

This link will provide step-by-step instructions on how to complete the EPIC application through Calgary Police Services.

Please visit www.silverspringspreschool.com for the complete Silver Springs Preschool policy
