

## Area 5: Silver Valley - Ravine Area - Clean Up

Meeting Location: Silver Valley Playground

### Area to focus

- Silver Valley Playground
- Along the ridge
- Regional pathway along Nosehill Dr.
- Regional pathway in the ravine (Bowmont Park)
- Trail backing the houses on Silver Valley Dr.
- Green Space along at the corner of Silver Valley Rd.

### Suggested pattern

- A group cleans the playground then go on the trail backing the houses on Silver Valley Dr. Get on the regional pathway and go down towards the storm water ponds. Clean around the ponds, and go back up through the stairs.

- Another group goes up Silver Valley Dr. until Nose Hill Dr. Continue west on Nosehill Dr. and go down on the regional Pathway along Nose Hill Dr. Clean the green space at Silver Valley Rd on the way down, then go back onto the ridge and meet the other group.
- Alternatively this could be done by one single group as a long loop.
