

Area 7: Silver Grove - Clean Up

Meeting Location: WO Mitchell School Parking Lot

Areas to focus on

- WO Mitchell school grounds and playground
- St Sylvester School grounds
- Silvergrove Green
- Silver Springs Park Playground
- Gazebo
- Green space by fire hall
- Green space at the corner of Crowchild Trail and Nose Hill Dr.
- Regional Pathway along Nose Hill Dr. between Crowchild Trail and Shoppers Drugmart.

Suggested pattern

- One group to clean WO Mitchell School grounds and playgrounds and then to St Sylvester School
- One group goes towards the Gazebo stopping at Silvergrove Green, firehall, Silver Springs Park and Gazebo. Potentially going to the corner of Crowchild trail and Nose Hill Dr. (it is out of sight but lots of garbage there) and finally going down the Regional Pathway to Shoppers.
