

## Area 8: Silver Brook - Botanical Gardens - Clean Up

Meeting Location: Shakespeare Garden

### Area to focus

- The botanical gardens
- Regional pathway along Silver Springs Gate
- Allwest Fields (soccer and baseball fields at BGSS)
- Digger Park Playground
- Path behind the sound barrier (nobody sees the litter there, but may still end up in our waterways)

## Suggested pattern

- Start from the top of the garden and go down with focusing on the west side until the Allwest fields. Then go back up focusing on the east side and the pathway along Silver Springs Gate and the path on the other side of the sound barrier if you feel like it.
- Go to Digger Park.
